PASO PEATONES

This figure is a detailed technical drawing of a street layout, showing a T-junction and a cross-street. The drawing includes various pavement and infrastructure elements, color-coded and symbol-coded according to the legend. Key features include: sidewalks (gray), curbs (black), drainage channels (cyan), permeable paving areas (orange), tactile paving (magenta), and pedestrian crossings (black). The drawing is overlaid on a background map showing surrounding buildings and streets. Various survey points and markers are indicated throughout the plan.
